### Glow in the Dark Hide and Sneak

- 1) Who ever is "It" has a small flashlight
- 2) Dim the lights throughout your home or pick a room or two to be very dark.
- 3) Everyone who is hiding needs a small light: glow stick, battery powered tea lamp, small flashlight, light up necklace, etc.)
- 4) "It" lets everyone else hide.
- 5) Everyone else must try and hide their light wherever they hide.
- 6) "It" finds everyone else by shining his/her light on them
- 7) (You can also just hide your light sources around and see who can find them all!)
- 8) Remember to talk to kids about letting their Light from Christ shine so that others will know Him by the love and light we show!

## Light Sparks Made from Salt

- 1) Make light designs on dark paper with glue
- 2) Sprinkle salt all over them
- 3) Let dry
