

Jesus Feeds the Five Thousand: Craft, Activities and Games

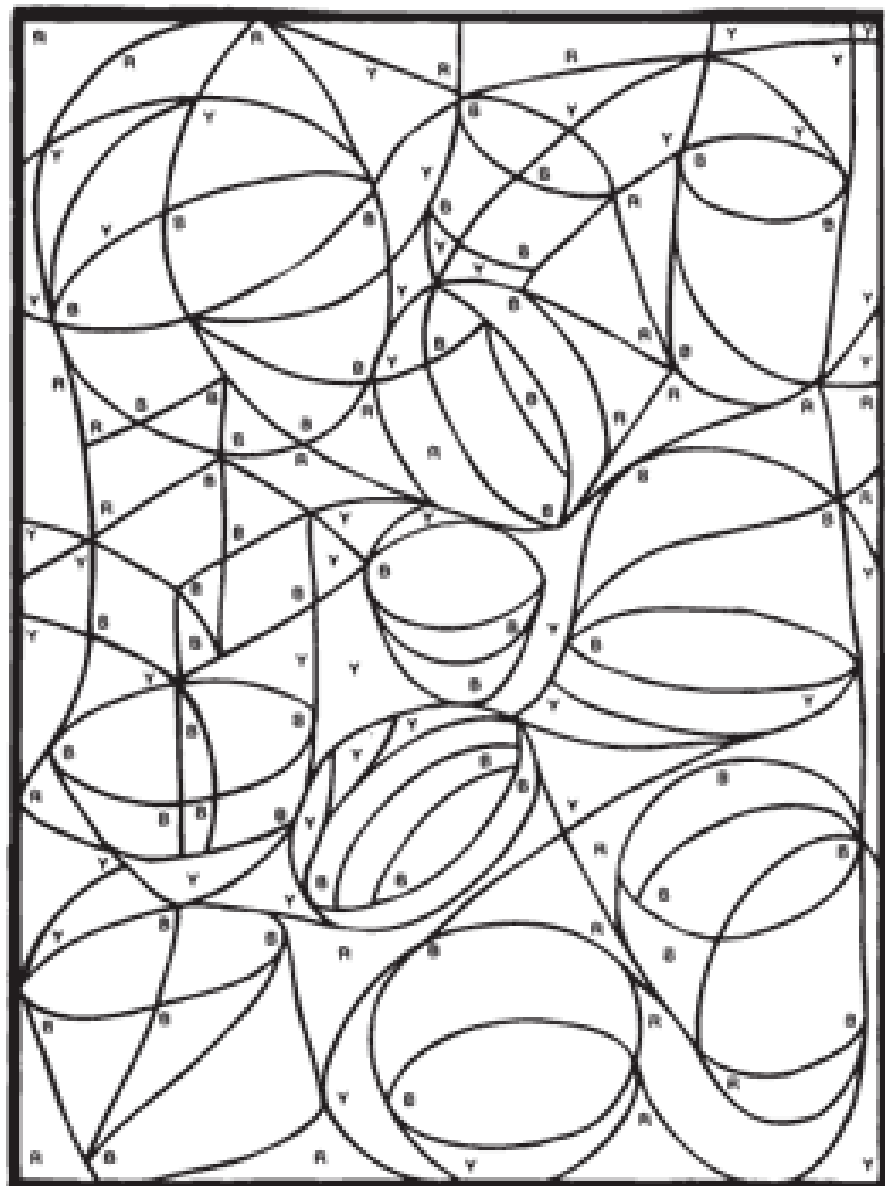

More Than Enough

**Jesus Feeds
5,000**

—John 6

When Jesus fed the great crowd of people starting with only two little fish and five loaves of barley bread, God provided more than enough food. After everyone had eaten all that they wanted, Jesus' followers gathered up the leftovers. How much extra food was there?

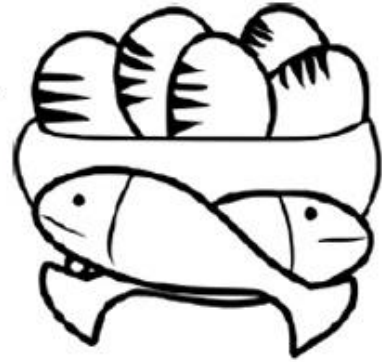

Color each space that contains a "y" yellow. Color each space that contains a "b" brown. Color each space that contains a "r" red. Count how many baskets full of food were left over.

Jesus Feeds the 5000

Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish. John 6:11 (NIV)

The puzzle is based on John 6:1-14

Loaves & Fishes Game

BY DAISYRAYTHECLOWN

For our lesson on Jesus feeding the 5,000 the kids played this loaves and fishes game. Fill two tubs/trash cans with crumpled newspaper. Cut out loaves from brown card stock/scrapbook paper, and fishes from the same kind of paper, making them whatever color you like. I cut out more than enough for each child to get one. Evenly divide loaves and fishes between the two containers and mix in.

Kids divide into two teams and each child takes a turn to run to the tub and find a loaf or fish. When they find one, they bring it back to their team and tag the next person. The goal is to see which team has all their players collect a loaf or fish first.

To make the cutting easier, just cut the loaves into blobby shapes. For the fish—cut a piece of paper into approximately even rectangles. For each rectangle, cut out as shown below. You will get very quick at this and there's no need to trace shapes before cutting them out. Time saver!
